Great Things Are Happening Everyday

July 2018

**August is Back-to-School Time!**

For 10 years The Locker has been getting kids ready for Back-to-School. We want to make sure kids have the needed supplies and clothing to help them be successful. We want kids to be excited about school and to look forward to starting another year of learning. We want to set them up for success!

**Top 10 things we do to help kids be successful to start school:**

1. Take kids shopping for new clothes
2. Buy new tennis shoes for kids
3. Collect school supplies
4. Organize school supplies

5. Take care of athlete's special equipment needs
6. Take care of extra-curricular activity expenses
7. Make sure The Lockers are stocked and ready for the students when school starts
8. Planning and brainstorming to be prepared for fellow student needs
9. Work with school staff to better serve our students
10. Recruit and train volunteers for the upcoming school year

The Locker is a busy place with lots of energy!

We could not do all the things we do without our community support! Without the generosity of the people supporting The Locker we could not answer the call when it comes in for a child in need! We are all in this together. We are creating student leaders. We are making a difference in the futures of so many kids.

I am excited for another school year. I can't wait to see all of the adventures we will have and all of the kids' lives that are transformed because of The Locker.

Here's to a wonderful 2018-19 School Year!
